

Better Care Fund – Integration Executive

Integration Resources - March 2018

A. The 11 laws of systems thinking and stakeholder engagement

Systems thinking as a way of looking at the world. It's the only way to look at and navigate a complex adaptive system like the education system. Peter Senge identified 11 Laws, or truths, that leaders can use to guide the way through the rough waters that so often plague education. This post describes how community engagement can be used reduce the unintended consequences of decisions and ensure clear sailing.

C. Guardian article: we need to talk about doing social care differently

To view this article please visit <https://www.theguardian.com/social-care-network/2018/jan/08/doing-social-care-differently>

D. Making sense of integrated care systems, integrated care partnerships and accountable care organisations in the NHS in England

NHS England has recently changed the name of accountable care systems to integrated care systems, which describes more accurately the work being done in the 10 areas of England operating in this way. The King's Fund's updated long read looks at work under way in these systems and at NHS England's proposals for an accountable care organisation contract.

K. NHS England has one in 11 posts unfilled

To view this article, which states that a shortage of almost 100,000 staff is affecting performance according to NHS Improvement, please visit [https://amp-theguardian-com.cdn.ampproject.org/c/s/amp.theguardian.com/society/2018/feb/21/nhs-england-has-one-in-11-posts-unfilled](https://amp.theguardian.com.cdn.ampproject.org/c/s/amp.theguardian.com/society/2018/feb/21/nhs-england-has-one-in-11-posts-unfilled)

L. What is social prescribing?

Social prescribing enables GPs, nurses and other primary care professionals to refer people to a range of local, non-clinical services.

But does it work? And how does it fit in with wider health and care policy? To view the article by the King’s Fund please visit

https://www.kingsfund.org.uk/publications/social-prescribing?utm_source=email&utm_medium=email&utm_term=socialshare

M. Learning from the vanguards: new publications launched

In partnership with [NHS Providers, the Local Government Association \(LGA\) and the NHS Confederation](#), NHS Clinical Commissioners has developed this briefing series to explore three crucial topics for the vanguard areas and offer practical examples from a number of the sites.

For more information please visit <https://www.nhscc.org/latest-news/new-publications-showcase-the-learning-from-the-vanguards/>
