

Better Care Fund – Integration Executive Integration Resources – September 2019

A. A citizen-led approach to health and care: Lessons from the Wigan Deal

This paper provides an independent critique of the Wigan Deal drawing on in depth research, including interviews with stakeholders, focus groups with members of the public and evidence from data analysis.

E. The real cost of a fair adult social care system

Nobel laureate Sir Angus Deaton, famous for documenting declining life expectancy as a result of so-called 'deaths of despair' in the USA, has announced that he will be working with the Institute for Fiscal Studies (IFS) to analyse levels of inequality in the UK.
